

The logo for 'Starfall Mission' is centered in the image. The word 'STARFALL' is written in a large, bold, white font with a bright cyan glow and a purple-to-cyan gradient. The letter 'F' is significantly larger and more stylized than the others. Below 'STARFALL', the word 'MISSION' is written in a smaller, white, sans-serif font, followed by a small white icon of a person. The background is a dark blue space with stars, a purple nebula, several yellow-orange meteors streaking across the sky, and a portion of a planet's horizon with three bright stars above it. In the bottom left corner, the nose and cockpit of a futuristic spaceship are visible, emitting a bright light.

FINAL ART

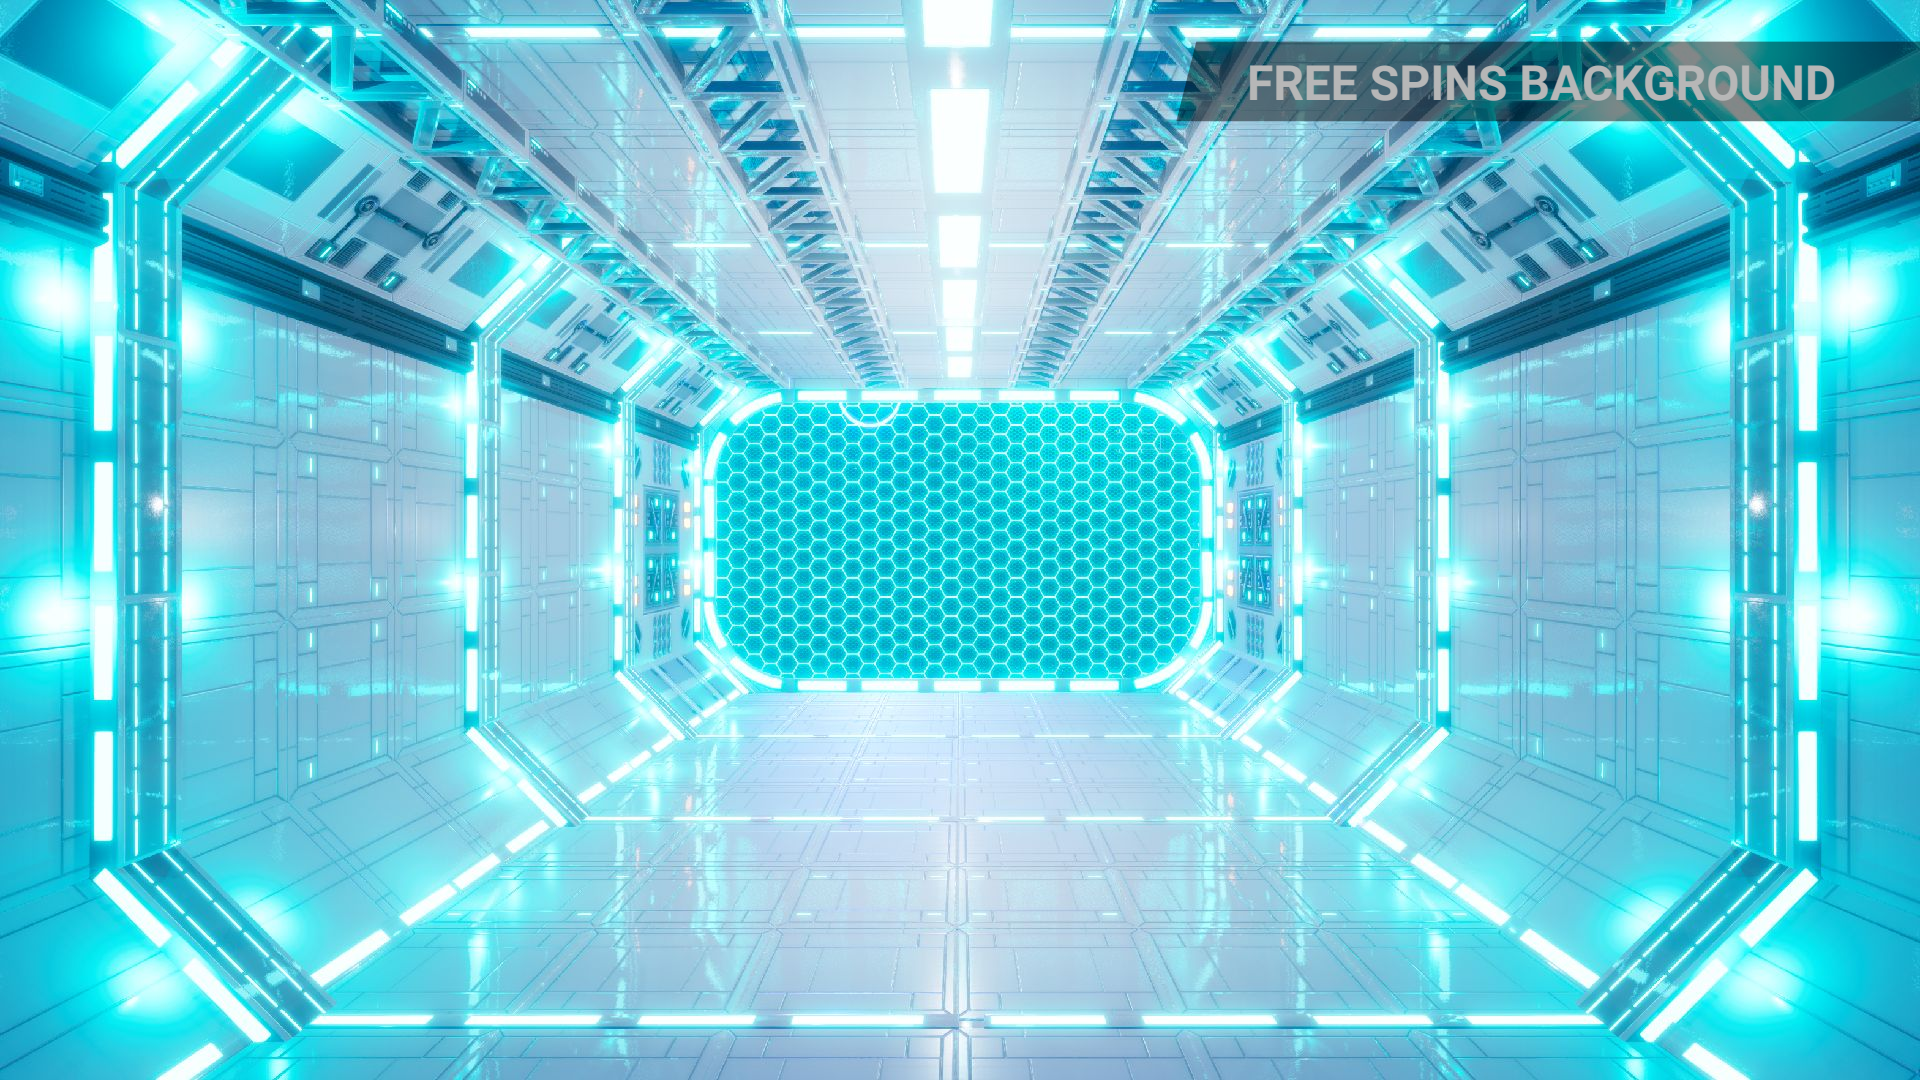

The image depicts a vast, dark blue space environment. The background is filled with a dense field of small, distant stars, creating a starry effect. In the foreground and midground, there are numerous asteroids of various sizes and shapes. These asteroids are rendered with realistic shading and textures, showing craters and irregular surfaces. They are scattered across the frame, with a higher concentration on the right side. The overall scene suggests a deep space or asteroid belt environment.
