## RULES OF THE GAME

- *Sunset Highways is a slot of 5 reels and 7 rows.*
- *There are 16807 Cherry Ways.*
- *Whenever combinable symbols appear in consecutive columns from left to right they will be considered a Cherry Way, regardless of their position/height.*
- *The button Spin starts a spin in the game with the selected bet.*
- *The Auto Spin button allows you to select a number of spins that are played automatically.*
- *The automatic spin options are: 5, 10, 25, 50 and 100.*
- *The winning combinations and the payments are specified in the Pay Table (Prize table)*
- *The symbol combinations work from left to right.*
- *The BONUS symbols only appear in the central reels (2, 3 and 4).*
- *The WILD symbol can substitute any symbol except the BONUS symbol.*
- *The BONUS symbol will only appear in the regular game.*

## STANDARD PHASE

### **Mystery Box Symbol**

*The MYSTERY BOX SYMBOL reveals its contents once the spin ends and may contain the following:*

- **RESPIN:** *Causes an explosion that makes all the symbols in the column disappear, with new ones falling that may then create new combinations.*
- **Progress Orbs:** *Adds one progress ORB unit (see progress orb section)*
- **Multipliers:** *Multiplies the current winnings by x2, x3 or x5.*
- **WILD:** *The MYSTERY BOX turns into a WILD symbol.*
- **Symbol change:** *The MYSTERY BOX turns into a WR, M1 or F8 symbol randomly.*

### **Progress ORBS:**

The MYSTERY BOX may contain an ORB unit.

- Three units are required to complete one progress ORB.
- If you complete all the ORBS, you will be granted immediate access to the Free Spins feature.
- During the Free Spins feature, each complete ORB obtained will turn a random symbol into a locked WILD symbol.
- Once the ORBS have been used in the Free Spins feature, their progress will be reset to zero.

## FREE SPINS

- Obtain 3 BONUS symbols to gain access to the free spins feature
- If you complete all the ORBS, you will be granted immediate access to the Free Spins feature.
- You will be granted 6 free spins when you access this feature.
- The free spins phase is played with special reels.
- When this feature begins, the complete ORBS obtained in the initial feature will be used.
- Each complete ORB obtained will turn a random symbol into a Sticky WILD symbol.
- The free spins phase is played with the bet level of the spin which activated it.

### **Mystery Box Symbol**

The MYSTERY BOX SYMBOL reveals its contents once the spin ends and may contain the following:

- **RESPIN explosion:** Causes an explosion that makes all the symbols in the column disappear, with new ones falling that may then create new combinations.
- **Progressive multiplier:** Increases the progressive multiplier.
- **WILD:** The MYSTERY BOX turns into a WILD symbol.
- **Additional spins:** Adds an extra spin for the current Free Spins feature.

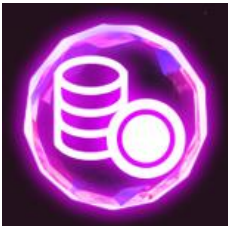

### **Progressive multiplier**

The Free Spins feature begins with a x1 multiplier, which is applied to your winnings.

The available multipliers are: x1, x2, x3, x4, x5 and x6.

The MYSTERY BOX may contain a progressive multiplier enhancement that increases the multiplier by one unit.
